

April 5, 2025

Congratulations! You've been selected for membership in Beta Gamma Sigma, the international honor society recognizing top business students at AACSB-accredited schools. This is a major achievement—only the top 10% of undergraduate students and top 20% of MBA students receive this prestigious honor.

Membership in Beta Gamma Sigma is a lifetime distinction that connects you to a global network of business leaders, career resources, and alumni support. From exclusive job boards to international networking opportunities, it's a badge of academic excellence that continues to open doors long after graduation.

You've already been sent an official invitation email directly from Beta Gamma Sigma's Global Headquarters. All you need to do is click the unique link to accept your membership and complete the registration.

The best part? The lifetime membership fee is typically \$75—but this year, the School of Business is covering \$25, so you'll only pay \$50. Once you accept, you'll be asked to enter your contact and payment information and create a username and password to access all member benefits.

You're invited to join us in celebrating your achievement at the upcoming induction ceremony:

- Wednesday, April 30, 2025
- 12:00 PM
- Rich Hall Room 118

In addition to celebrating your academic achievement, we will also honor our Beta Gamma Sigma Inductee of the Year, Paloma Sarkar. Ms. Sarkar, the First Vice President of Enterprise Risk Management and Strategic Planning at Pathfinder Bank, will deliver the keynote address.

Friends and family are encouraged to attend the ceremony, which will be followed by a reception with a light meal and refreshments. You'll also receive your official Beta Gamma Sigma certificate and honor cord to wear at Commencement.

If you're unable to attend, we still strongly encourage you to accept your invitation and enjoy the full benefits of Beta Gamma Sigma membership.

Please respond to the Beta Gamma Sigma invitation email by April 25, 2025, so we can prepare your materials in time. If you have any questions, feel free to reach out to us at business@oswego.edu.

We're incredibly proud of your achievements and excited to welcome you to Beta Gamma Sigma!

Warmly,

Thomas Ingram & Irene Scruton

Advisors, SUNY Oswego Chapter of Beta Gamma Sigma
